## **Would you like to be our "Friend?"**

We are planning our first "Friends" meeting in January to nominate and elect officers, discuss fundraisers, have a membership drive, and choose a day and time for our bi-monthly meeting. If you are interested in finding out more about our Friends

group, or joining and/or becoming a voting member, please check our December Patron Newsletter for more details.

The purpose of our Friends group is to:

1. Establish a closer relationship between the Library and its constituents.
2. Promote knowledge and interest of the Library's functions, resources, services and needs.
3. Encourage community participations in Library activities.
4. Raise funds for projects, activities, or acquisition in excess of those provided for by general library budget.
5. Provide support for programs for the extension and improvement of library services.

## What is Sand?

Have questions about sand?  
Harrison Township Public Library has a program for you.

There are billions of grains of sand on the beach. Each grain of sand has a story. Where does sand come from? How does sand get to the beach? Why sand is different colors?

Get a close-up look at sand grains of many different colors and from many different places. See how sand moves with rivers, waves, and in the wind. This program includes hands on activities; samples of different kinds of sand and stories related to sand.
