NEWS FROM THE DIRECTOR...

On Monday, August 3 the Library will expand its schedule of service to 40 hours a week. Where previously the Library was only open three days a week, we will now be open six.

To staff the expanded hours the library has hired a number of known and trusted individuals who have volunteered with us for many years. The goal is not to change the nature of this institution but rather to expand our offerings while retaining our own unique character.

The Harrison Township Public Library is a truly special place; it was built by members of this community for members of this community. We're going to do everything possible to carry that vision forward as we move into the future with new services and offerings for our customers.

-Dan Hutchins, Director.
