Downton abbey tea with Friends

Saturday, March 11th at 1:00pm

Join the Friends of HTPL for tea, treats and a Downton Abbey discussion, followed by the Fashion and the Automobile presentation. Fashion and the Automobile is a touring exhibit that highlights the many changes wrought on popular culture by the evolution of the car. The exhibit is a virtual drive down memory lane, showcasing the relationship between fashion and automotive design by decade, and how both were influenced by function, environment, lifestyle, and world events.

The Friends of HTPL will be offering free annual memberships in the Friends to event attendees.

Registration required. Due to limited space this program is open to Harrison Township residents only.

St. Patrick's Day Fun Facts

from Mentalfloss.com

1. We Should Really Wear Blue

Saint Patrick himself would have to deal with pinching on his feast day. His color was "Saint Patrick's blue," a light shade. The color green only became associated with the big day after it was linked to the Irish independence movement in the late 18th century.

2. Saint Patrick Was British

Although he made his mark by introducing Christianity to Ireland in the year 432, Patrick wasn't Irish himself. He was born to Roman parents in Scotland or Wales in the late fourth century.

3. It's the Thought That Counts

Not every city goes all-out in its celebratory efforts. From 1999 to 2007, the Irish village of Dripsey proudly touted that it hosted the Shortest Saint Patrick's Day Parade in the World. The route ran for 26 yards between two pubs. Today, Hot Springs, Arkansas claims the title for brevity – its brief parade runs for 98 feet.

4. There's a Reason for The Shamrocks

How did the shamrock become associated with Saint Patrick? According to Irish legend, the saint used the three-leaved plant as a metaphor for the Holy Trinity when he was first introducing Christianity to Ireland.

5. There's No Corn in that Beef

Corned beef and cabbage, a traditional Saint Patrick's Day staple, doesn't have anything to do with the grain corn
