One t-shirt makes one toy. For a video tutorial to show you how to make the toys, please go to <http://bit.ly/2uSweVP>

Students collecting community service hours will receive an hour of credit for every 2 dog toys made.

CELL PHONES —★ FOR ★— SOLDIERS

Since 2004 our Minutes That Matter program has had a simple mission: to help troops call home, at no charge. Your generous donations have fueled this mission. Thanks to you, we've been able to provide more than 300 million minutes of free talk time by sending more than 5 million calling cards to servicemen and women and recycling more than 15 million cell phones.

Each contribution worth \$5 enables us to provide 2.5 hours of talk time for America's bravest men and women. Every time. Every one of these precious minutes is possible because of you.

Gather. Learn. Share. Create.

HTPL CELL PHONE DRIVE

2019 Dates: January 1—May 31

Students collecting community service hours earn 1 hour of service for every 4 phones donated.
