Thursday-Saturday

11am-5pm

The Harrison Township Public Library, in partnership with Gleaners Community Food Bank, is hosting a Food for Fines drive. From Monday, April 1-Tuesday, April 30th, you can exchange canned goods for the late fees on one item. Please note that only late fees will be waived. You may not exchange canned goods for replacement costs of lost or damaged materials. Bring in non-perishable, unopened canned goods and we'll waive the late fees for any item on your account. The Food for Fines Drive is a great time to return overdue materials. You'll help both your community and your library! While this event waives late fees for those who owe, participation is open to everyone. If you'd like to donate food to Gleaner's Community Food Bank, we welcome your donation. All donations will be accepted during normal business hours. Please do **not** leave food donations in the outdoor book drop.

The National Oceanic and Atmospheric Administration (NOAA) defines marine debris as any manmade object discarded, disposed of or abandoned that enters the coastal or marine environment. Each year, tons of plastic and other litter end up in our oceans, rivers, and beaches. The only way to truly manage the marine debris pollution issue is through prevention – help Woods Hole Sea Grant change behaviors that cause marine debris to enter the environment!
