# CURIOUS BUNNY FLOWER POT INSTRUCTIONS

You will need:

- Small terracotta pot
- One large white pom-pom (2 in)
- One small white pom-pom (0.5 in)
- White and pink felt
- Hot glue gun
- Paint, color of your choice (optional)
- Greenery or decorations (optional)

Step 1: If you wish to do so, paint your terracotta pot. Let dry before continuing with the craft.

Step 2: Glue the smaller pom-pom (the "bunny's tail") to the larger pom-pom (the "bunny's bottom"). If you'd like, you can also secure the larger pom-pom to the front (inside) of the pot.

Step 3: Cut two small ovals out of white felt to your desired size. They should be about one inch or slightly smaller. These are the bunny's feet.
